## Inquiry Area 1 - Student Success

Improvement Strategies	Intended Outcomes/Formative Measures	Status <i>Are we implementing the improvement strategy as planned?</i>	Now (Lessons Learned) <i>What does our progress monitoring data reveal about progress toward our goal? What are we learning as we implement our improvement strategies? What challenges with implementation and gaps in student learning exist?</i>	Next (Next Steps) <i>What specific actions do we need to take to address the challenges and performance gaps we've identified? By when? By whom?</i>	Need <i>What do we need to be successful in taking action?</i>
Parents/Students will be informed of the importance of the science proficiency exam to the school's overall performance.	Increase student success in the Science CRT exam.	Strong	Our teachers continue to provide solid Tier I instruction using the district's Tier I instructional material.	Our science teachers will provide Tier II supports to students in need as we get closer to the Science CRT. Our administrator over testing will notify parents of the upcoming CRT date.	

School Goal: By the end of the school year, 100% of PLC meetings will follow a consistent structured PLC aligned with the Teaching and Learning Cycle and walkthrough observation data will show that in 80% of observations, tasks and instruction will be fully aligned with the standards
