### IV. NEW TEAM (HMortensen, Team)

#### A. SOT NOMINATIONS

Chair: Terry Holzer nominated by Marquessa, 2nd by Mark Cottle

Vice Chair: Kenna Higgins nominated by Dallas, 2nd by Louise Culler

Secretary: No secretary was nominated

Community Member: Lindsey Dalley nominated by Terry, 2nd by Marquessa

All 3 positions voted unanimously.

*\*\*Brittany Lawrence received an email on 10/7/21 that she was nominated & voted as the new support staff SOT team member.*

Discussion regarding a student member for the new SOT team and how to vote them in. Per Hal, we will have a student in place by Nov 1st.

### V. SECURITY/DISCIPLINE ISSUES (HMortensen, Team)

1. AP HIRED- Mr. Mitchell Ozaki started his first week with a staff meeting, hearing about the masking issues, dress code, tardies & classroom behavior.

Discussion that communication to parents needs to go out with reminders on dress code and mask policy, asking for parents to enforce the rules at home to minimize problems at school.

Discussion regarding weekly covid testing and trying to get approval to rapid test the athletes each week prior to the PCR Color test (to weed out the positives) and hope to get results faster from Color.

## 2. Bathroom Update

Some bathrooms have to remain locked due to damage and vaping. New technology will be installed soon to notify admin if vaping is detected.

There is a problem with transgender students using the bathroom of the gender they identify with. That student needs an IEP in order to have permissions before accommodations are considered.

## 3. Fencing/Maintenance

Landscaping is looking rough around the fencing because of lines that were cut during construction and plants/grass went without water too long.

There is a gap in the rear fence where kids are sneaking out. It needs additional posts or a fence to block the escape left.

# **VI. COVID UPDATES (HMORTENSEN;TEAM)**

## 1. School Status

Only 2 in quarantine as of today. Great news, coming down from 476 earlier in September.

## 2. COVID resources

If we have another surge, we hope to have a contact tracer from CCSD come to help enforce the quarantines.

## 3. Other

Cameras are outdated and not in working order like we need. Even the Costco purchased ones are becoming outdated. It was discussed that a possible temporary solution could be to put up fake cameras in dead spots with signs reading "smile you are on camera" to deter destruction of property or delinquent activity.

**VII. FURTHER PUBLIC COMMENT(3min ea.)**

Senior parking lot issues- students are parking in open spots or in a purchased spot belonging to someone else. Jimmy has warned and will issue citations if caught again.

**VIII. ADJOURN**
