

Clark County School District Title IX Reporting Requirement Form

The Agreement between the Clark County School District and the Office of Civil Rights requires that a hard copy of the [2022–2023 Clark County School District Athletic Information](#) be provided to all Clark County School District students. The updated document must be posted to all school websites and be included in back-to-school information.

The principal must complete the [Title IX Reporting Requirement Form](#) survey to verify and acknowledge the completion of these tasks.

Additionally, ensure the school’s athletic administrator is listed on the school’s website as the Title IX Athletics Coordinator.
